Cigarz on the Avenue is thrilled to announce the introduction of The Golden Purveyors and their groundbreaking Appointed Merchant Program. This initiative is set to revolutionize the cigar production process, blending traditional craftsmanship with cutting-edge techniques to create the ultimate smoking experience.

The program invites cigar enthusiasts worldwide to share their perfect cigar preferences, from size and tobacco types to flavor profiles. This collaborative effort aims to produce cigars that truly reflect the desires of the global cigar community.

Through this initiative, The Golden Purveyors plan to work closely with top cigar manufacturers, using the insights gained to craft cigars that set new standards for quality and satisfaction in the industry.

Don Patel, co-founder of The Golden Purveyors, expressed his excitement about this new venture: "We're entering a new era in the cigar world.
